

PROGRAM.

**VI International Educational Forum “Neurology Update in Kazakhstan-2024”,
which will be held in hybrid mode,
Almaty, May 17-18, 2024, 9.00-18.00.**

Address: DoubleTree by Hilton Almaty hotel, Dosmukhamedov street 115.

May 17, 2024. First day	
Themes	Time
Registration of conference participants	8.30-9.00
Welcome words for forum participants <i>Saltanat Kamenova</i> - Doctor of Medical Sciences, Professor, President of the ALE KNANN <i>Marat Shoranov</i> - Rector of NJSC Asfendiyarov KazNMU <i>Serikzhan Sabyraliev</i> - MD, DBA, Director of the Central City Clinical Hospital <i>Gulnara Kabdrakhmanova</i> - Doctor of Medical Sciences, Professor, President of the PA «Association of Neurologists of Western Kazakhstan»	9.00 - 9.30
Satellite Symposium «Problems of orphan and autoimmune diseases of the nervous system in the modern world» Chairs: S. Kamenova, G. Kabdrakhmanova	
«Generalized form of myasthenia gravis: current issues of diagnosis and treatment» - Ruslan Belyaev, Candidate of Medical Sciences, Neurologist of the highest category, Associate professor of the department of neurology, psychiatry and rehabilitation, Karaganda Medical University, Karaganda (Kazakhstan)	9.30-10.00
«Neurofibromatosis type 1: a modern view» - Zhannat Idrisova, Doctor of Medical Sciences, Professor of the Department of Nervous Diseases Asfendiyarov KazNMU. Head of the Center for Orphan Diseases with Neurological Manifestations in Children, UC «Aksai», Almaty (Kazakhstan)	10.00-10.30
Coffee break	10.30-11.00
«Neuromyelitis optica spectrum diseases: modern concepts of pathogenesis and diagnosis» - Aida Kondybayeva MD, PhD, FEAN. Head of the Scientific and Educational Center "Neurology and Applied Neuroscience" Asfendiyarov KazNMU, Almaty (Kazakhstan)	11.00-11.30
Section «Multiple Sclerosis» Chairs: K.Kuzhibayeva, R.Belyaev	
«Treatment in early high efficacy MS and risk management» - Ugur Uygunoglu, M.D. Professor Department of Neurology, Istanbul University, Cerrahpaşa School of Medicine, Istanbul (Türkiye)	11.30-12.00
«Improving adherence to 1st line DMT therapy» Karlygash Kuzhibayeva Candidate of Medical Sciences, Associate Professor, Head of the MS office, Almaty (Kazakhstan)	12.00-12.30
«Cognitive dysfunction in MS: the tip of the iceberg» - Gulnara Kabdrakhmanova Doctor of Medical Sciences, Professor, Department of Neurology, Marat Ospanov WKMU, Aktobe (Kazakhstan)	12.30-12.50
Lunch	13.00-14.00
Section «Progressive forms of MS» Chairs: M. Martazanov, A. Kondybayeva	
«Induction vs escalation DMT: criteria for choosing a strategy» Natalia Khachanova, Candidate of Medical Sciences, Professor, Department of Neurology and Clinical Neurophysiology, Pirogov National Medical and Surgical Center, neurologist of MS	14.00-14.30

department of city clinical hospital No. 24	
« Diagnosis problems of multiple sclerosis: escalation approach to therapy » Maksharip Martazanov, Candidate of Medical Sciences, Head of the Department of Neurology, Multidisciplinary Regional Hospital under the Health Department of the Akmola Region	14.30-15.00
« Selection of highly effective therapy: analysis of clinical cases » Alexey Boyko, Doctor of Medical Sciences, Professor, Director of the Institute of Clinical Neurology and Head of the Neuroimmunology Department of the Federal Center for Brain and Neurotechnology, Head of the Moscow MS Center	15.00-15.30
Coffee break	15.30-16.00
« Treatment of glucocorticoid osteoporosis in neurological autoimmune diseases: optimal treatment approaches » Tatyana Kaymak Candidate of Medical Sciences, Associate Professor. "San Clinic" Semey.	16.00-16.20
Workshop Chairs: M.Mazurchak, K. Kuzhibayeva	
« The current state of somnology in Kazakhstan » - Adil Beisenbaev - somnologist-neurologist, Private Clinic Almaty, Almaty (Kazakhstan)	16.20-17.00
« Hardware methods of diagnosis and treatment in somnology »	17.00-17.30
Q & A	17.30-18.00

May 18, 2024. Second day	
Satellite Symposium «Asfendiyarov KazNMU» Scientific and educational center "Neurology and applied neurosciences"	
Symposium opening: <i>Saltanat Kamenova</i> - Doctor of Medical Sciences, Professor, President of the ALE KNANN <i>Svetlana Sultangazieva</i> – Vice-Rector for Clinical Work of NJSC Asfendiyarov KazNMU <i>Paul Boon</i> - MD, PhD, FEAN, President, European Academy of Neurology	9.00 - 9.20
Chairs: S. Sultangazieva, A. Kondybayeva	
«Neurological Sleep Disorders»	
« Neurological Sleep Disorders » - Paul Boon MD, PhD, FEAN, Professor of Neurology, Chairman Division of Head, Movement and Senses, Ghent University Hospital - Director 4Brain, Ghent University. Professor of Neuromodulation, Eindhoven University of Technology. President, European Academy of Neurology	9.20-10.00
Current trends in the treatment of ischemic stroke.	
« From General to Vascular and Interventional Neurology » - Andrei Alexandrov, MD, Professor and Chair Department of Neurology, University of Arizona College of Medicine, USA.	10.00-10.40
« Expansion of indications for mechanical thrombectomy of acute stroke » - Thanh Nguyen MD, FRCPC FSVIN FAHA, Director of Interventional Neurology/Neuroradiology at Boston Medical Center, Professor of Neurology, Neurosurgery and Radiology at Chobanian and Avedisian School of Medicine. President of the Society of Vascular and Interventional Neurology	10.40-11.00
Coffee break	11.00-11.30

« Modern basics of stroke prevention » - V.L. Feigin, MD, PhD, Professor; National Institute for Stroke and Applied Neurosciences, School of Clinical Sciences, Auckland University of Technology, New Zealand	11.30-12.30
« History of head positioning in acute stroke » - Anne Alexandrov PhD, Professor, University of Tennessee College of Nursing, USA. Director, NETSMART Fellowship	12.30-13.00
Degenerative diseases of the nervous system	
Lunch	13.00-14.00
« Molecular biological basis of ALS ». - Dr. Dieter Riethmacher , PhD, Vice Dean for Research and Graduate Studies, Professor of Neuroscience School of Medicine Nazarbayev University.	14.00-14.30
Section: «Autoimmune diseases of the nervous system» Chairs: T. Kaymak, B. Syzdykova	
« NMOSD: differential diagnosis » Prof. Celia Oreja-Guevara Vice Chair and Senior Neurologist of Department of Neurology, University Hospital San Carlos, Madrid (Spain). Associate Professor of Neurology, Universidad Complutense de Madrid, Spain Head of Multiple Sclerosis Center, University Hospital San Carlos, Madrid (Spain)	14.30-14.50
« Possibilities of therapy for neuromyelitis optica spectrum diseases » Bagyzhan Syzdykova, candidate of medical sciences, head of the center for multiple sclerosis and autoimmune diseases of the nervous system of the Multidisciplinary City Hospital No. 1, neurologist of the highest category, Astana.	14.50-15.20
Q & A	15.20-15.30
Coffee break	15.30-16.00
Closing. Summarizing	16.00-17.00
